

ERASMUS+ Programme

Key Action 1 - ERASMUS BIP

CALL FOR APPLICATIONS ACADEMIC YEAR 2021/2022

FOR THE AWARD OF SHORT MOBILITY GRANTS WITHIN A BLENDED INTENSIVE PROGRAMME

International Decision-Making Analysis

Implemented in cooperation with University of Udine (Italy) and University of Ljubljana (Slovenia)

Deadline for applications: 30 June 2022

ART.1 - WHAT IS ERASMUS+ BIP

Blended Intensive Programmes (BIP) are intensive transnational study programmes of short duration, characterised by an activity that must be carried out in presence (lasting 5/10 days) and an activity that must be carried out online. A BIP is therefore an educational initiative, the in-presence component of which may be assimilated to a Summer/Winter School but always includes a virtual component.

ART. 2 - APPLICATION REQUIREMENTS

Requirements to be eligible for an Erasmus Short Mobility grant for participation in a BIP are as follows

- a) to be duly enrolled at WISO for the academic year 2021-2022 in a postgraduate degree course;
- b) not be the holder of any other EU contribution deriving from other programmes/actions financed by the European Union for stays abroad that overlap, even partially, with the BIP Erasmus+ period
- c) have at least B1 language level for English. The student must indicate the language level;
- d) have the possibility of registering the 3 CFU/ECTS of the BIP as a free-choice examination in the study plan.

ART. 3 - DESCRIPTION OF THE BIP

Title of the Blended Intensive Programme	International Decision-Making Analysis
Academic coordinator:	Prof. Gian Luca Gardini
Department:	WISO

Duration in-presence activities:	21.09.2022-27.09.2022
Place of the in-presence activities:	Udine, Italy
Number of awarded CFU/ECTS:	3
Brief description	<p>The summer school in International Decision-Making Analysis aims to provide the participating students with the key tools to understand, plan and execute informed, timely and responsible decision-making. The course has a clear international and interdisciplinary vocation.</p> <p>The three specific objectives are:</p> <p>a) Provide students with the key theoretical tools (factors, parameters and techniques) to make effective decisions, especially in an international and multicultural context.</p> <p>b) Provide participants with an overview of decision-making processes in major international institutions such as the European Union, the United Nations, the World Bank, the International Monetary Fund, the World Trade Organization and the Organization for Economic Cooperation and Development.</p> <p>c) Provide participants with in-depth understanding of decision-making in real life case studies, situations and events. Areas of study include:</p>

	<ul style="list-style-type: none"> • Theory and concepts in International Decision-Making • International Relations and Politics • International Organizations and European Union Studies • Economy, business and industry • Humanities, art and archaeology <p>Decision-making skills are useful for any type of students, are transversal and transferable. Learning the key parameters, techniques and factors to make decisions is crucial to the training of tomorrow's leaders as well as good citizens and professionals.</p> <p>The course has a component on demand where students find all the learning material online and can time their study and activities, and one component in presence at the University of Udine. This part includes lectures, seminars and on-site visits to key partners in the military and policing sectors as well as health and natural disasters management.</p>

ART. 4 - SUBMISSION OF THE APPLICATION AND SELECTION OF CANDIDATES

In order to apply, students must send their CV (including their level of English proficiency) and a short letter of motivation in English (max 1 page) to wiso-ibsr-sekr@fau.de. DEADLINE: 30th June 2022.

For further information, please contact: Ms Sophia Ehrlinger (wiso-ibsr-sekr@fau.de).

ART. 5 SELECTION METHODS

Applications will be assessed by the academic coordinators of the three partner universities based on the following criteria:

- Overall quality of the CV
- Ability to work in English
- Quality of the letter of motivation
- Current grade point average in the programme in which the candidates are enrolled (if available)

The results will be published at the beginning of July 2022. The selected candidates will be contacted by the FAU International Office for the award of the stipend and other support where available. Students shall confirm their final and firm participation via email by July 22, 2022.

ART. 6 - TREATMENT OF PERSONAL DATA

The personal data contained in the applications for participation in this call for applications shall be handled in compliance with the requirements of Art. 13 GDPR 679/16 EU Regulation on the protection of individuals with regard to the processing of personal data.

ART. 7 - IMPORTANT INFORMATION FOR SUCCESSFUL CANDIDATES

After the grant has been accepted, the students will receive additional and detailed information on travel, accommodation, and logistics in Udine, as well as the credential to accessing the school electronic platform.

NB. BIP mobility may only begin after the delivery of all the required documentation to the FAU International Office and to the authorities of the University of Udine competent for this BIP Summer School, where applicable.
